

Munich Network for Health Care Research – MobilE-Net

The Network's aim is to sustainably support the local network of actors working in health care.

By conducting a number of research projects, the network has the objective to investigate and ultimately to improve mobility and social participation of persons with chronic health conditions.

The Spring School classes are given by a series of experts in the field of health care research:

Dr. Karin Berger
Prof. Dr. Eva Grill
Dr. Daniela Koller
Prof. Dr. Reiner Leidl

Prof. Dr. Martin Müller
Anna Novelli, M.A Dott.ssa Mag.
Prof. Dr. Thomas Rotter
