

Munich Network for Health Care Research – MobilE-Net

The Network’s aim is to sustainably support the local network of actors working in health care.

By conducting a number of research projects, the network has the objective to investigate and ultimately to improve mobility and social participation of persons with chronic health conditions.

The Spring School classes are given by a series of experts in the field of health care research:

PD Dr. Karin Berger
Prof. Dr. Eva Grill
PD Dr. Daniela Koller
PD Dr. Lars Schwettmann

Prof. Dr. Martin Müller
Prof. Dr. Thomas Rotter
Marie Coors, M.Sc.
Iryna Iashchenko, M.Sc.

Munich Network for Health Care Research - MobilE-Net
BMBF grant number 01GY1913A

March 21st – March 25th

Munich Network Health Care Research

Spring School Health Care Research 2022

Sign up!

To sign up for the Spring School, please contact the person noted below **with your CV and a short letter of motivation**. The number of places is limited.

For students of the **TUAS Rosenheim** please contact Prof. Dr. Martin Müller at: Martin.Mueller@th-rosenheim.de

For students of the **UAS KSH** please contact Prof. Dr. Bernd Reuschenbach at: Bernd.Reuschenbach@ksh-m.de or Prof. Dr. Anita Hausen at: Anita.Hausen@ksh-m.de

For students at the **LMU Munich** and **all other** please contact Benedict Katzenberger at benedict.katzenberger@med.uni-muenchen.de

PLEASE APPLY BY FEBRUARY 25th, 2022!

Requirements & Fees

You can sign up for the Spring School if you are a health professional with at least Bachelor degree or enrolled in a Master or PhD program with a clear health focus (public health, epidemiology, etc.). Additionally, we are happy to include students of Bachelor programs of allied health professions (e.g. nursing, physiotherapy, occupational therapy), if you already finished a health-related job training. Students of the LMU Munich, Technical University of Applied Sciences (Rosenheim) or the University of Applied Sciences (KSH) may have the **option to join for free**.

Enrolment fee:

Academic: 150 Euro

Other professional: 300 Euro

Credits

For finishing the Spring School and passing an exam, the LMU grants 3 ECTS to their students. Students of other institutions will get a certificate. Please check with your home institution if the Spring School can be validated.
